We are invited to give publicity to the  
following notice:

To the Committee of the AMATEUR THEATRICAL SOCIETY, Hongkong.  
GENTLEMEN.—We are credibly informed  
that the cost of the money loaned by you on  
the 1st of March last, is to be defrayed out of the  
funds which were reserved for theatrical  
purposes by the community of Hongkong.

We have no record of any proceeding,

and we will of course see all others who

may subsequently interfere, we hereby protest

against any such application for a special pur-

pose.

On former occasions a balance remained

on hand, and at that time it was carried

over to the next, but there was a deficit

in the amount of the subscriptions of the

friends which we received.

We consider, therefore, that the opinion of the sub-

scribers ought to have been given before devot-

ing any part of the funds to the purpose for

which they were originally given.

We are, Gentlemen,

Your very obedient servants,
